## Card Party at The Howard.

The card party at The Howard, Tuesday evening, was a most enjoyable affair. The dining room was elaborately trimmed with ferns, flowers and vines of all kinds and the tables, eleven in number, were covered with white, tastefully arranged.

Sixty-six guests took part in the game of progressive euchre, while those who did not play remained in the parlors and engaged in social converse, being pleasantly entertained by Miss McDonald.

Seven games were played and the prizes were then distributed by the hostess in her most gracious and charming manner. Among the ladies Mrs. George F. Smith was the fortunate winner of the first prize, a gold belt buckle, while Mrs. R. S. Maley secured the second prize, a silver nail file, and Miss Florence Sumerville, the third prize, a pair of gold cuff pins with pearl setting. The first prize for the gentlemen, a gold scarf pin, was carried off by C. H. Raynor, the second prize, a silver paper knife, was won by T. Coster, and the third prize, a silver napkin ring, fell to F. M. Rowe.

After the games, light refreshments were served at the large table in the dining room, following which the guests adjourned to the parlors, which were lavishly decorated with roses, and Mrs. Howard escorted to the piano Miss Emily Perkins, who played the accompaniments for Miss Florence Sumerville, the vocalist of the evening, who gave a group of Schumann songs, singing in the German, Widmung, Der Nussbaum, Volksliedchen, Fruhlingsnacht and, as an encore, Madeueilied, by Meyer-Helmond. Miss Sumerville has a delightful soprano voice and rendered the songs in a most artistic manner.

After the songs, Miss Perkins entertained the company with several instrumental pieces, playing a Gottschalk Etude, a "Barcarolle" of her own composition, and a Caprice by Voghli. Miss Perkins is a brilliant pianist and her playing was charming in every detail. An enthusiastic encore was given her to which she graciously responded with Grieg's "To the Spring."

At a late hour the guests departed, with many expressions of a pleasant evening with Mr. and Mrs. Howard, though unfortunately Mr. Howard being indisposed was prevented from making his appearance.
